In the landscape of higher education in North India, Goswami Ganesh Dutta Sanatan Dharma (GGDSD) College, located in Sector 32-C, Chandigarh, stands tall as a beacon of academic excellence and progressive thinking. Established in 1973, the college has spent over five decades nurturing young minds and transforming aspirations into achievements.

Strategically situated in the heart of Chandigarh—India's first planned city—GGDSD College combines a heritage of values with a forward-looking educational model. Affiliated with Panjab University and re-accredited with an A+ grade by the National Assessment and Accreditation Council (NAAC) in its fourth cycle, the college has emerged as one of the region's most trusted names in education. Its credibility is further endorsed by its 70th rank in the National Institutional Ranking Framework (NIRF) issued by the Ministry of Education, Government of India.

At a time when higher education is evolving to meet global demands, GGDSD College has consistently kept pace. The institution offers 69 undergraduate and postgraduate programmes across a wide range of disciplines, supported by five recognized research centres, 72 skill enhancement courses, and 50 value-added programmes. The curriculum, fully aligned with the National Education Policy (NEP) 2020, is flexible, multidisciplinary and designed to equip students with practical knowledge, critical thinking, and ethical leadership.

What truly sets GGDSD College apart is its blend of academic depth and industry interface. The campus infrastructure includes a centrally air-conditioned administrative block developed under the Building Management Automation System (BMAS), a fully automated RFID-enabled library, technology-equipped classrooms, modern auditoriums, and hands-on labs. Students benefit from access to specialized facilities such as the Television and Radio Studio-cum-Multimedia Lab, Central Instrumentation Facility, Fashion Designing Studio, and research labs for Biotechnology and Commerce.

The college's dynamic approach to innovation has been recognized with a 4-star rating for its Institution Innovation Council (IIC), which fosters entrepreneurship and startup culture among students. Its selection under the prestigious PM Vidya Lakshmi Scheme and receipt of grants under the PM-USHA initiative mark the college as a frontrunner in academic capacity building and policy-driven reform. GGDSD College's impact goes beyond classrooms. Its students regularly achieve top ranks in Panjab University examinations and make their mark in cultural and sports competitions at national and international levels. The college's alumni network is a source of pride, featuring civil servants, judges, business leaders, journalists, academicians, and artists who have made meaningful contributions in their fields.

Career readiness is a key priority at GGDSD. The Placement Cell actively facilitates recruitment drives and industry exposure, while the Incubation Centre, supported by the Ministry of Education, nurtures student-led startups and innovation projects. The college also maintains strong academic partnerships with institutions like the National Stock Exchange (NSE) and the University of the Fraser Valley, Canada—offering global insight and collaborative learning.

As education continues to evolve in a post-pandemic world, GGDSD College remains committed to offering a holistic, future-ready academic experience. With a legacy rooted in excellence and a vision geared towards tomorrow, the college continues to be a first choice for students seeking quality education in North India.

GGDSD College is not just a place of learning—it is a place where futures are shaped.

Admissions for the academic session 2025-26 are currently open at GGDSD College. The college invites applications for a wide range of non-centralised undergraduate, postgraduate, diploma and vocational programmes across various disciplines. Prospective students can apply online through the official college website. The last date to submit applications for UG programmes is June 28, 2025 and for PG programmes is July 04, 2025. With limited seats and high demand, applicants are encouraged to complete the process well in advance to ensure timely consideration under the merit-based admission system.

PROGRAMMES OFFERED

NON-CENTRALIZED ADMISSION

Through College Portal www.ggdsc.ac.in

POST GRADUATE

- M.Sc.: • Physics • Information Technology • Biotechnology
- Bioinformatics • Applied Chemistry (Pharmaceutical)
- M.A.: • Economics • English • Sociology
- M.Com. & M.Com. (Entrepreneurship & Family Business)
- M.Voc. (Fashion Technology and Apparel Design)
- PG Diploma: • Marketing Management • Mass Communication
- Computer Applications • Personnel Management & Labour Welfare

UNDER GRADUATE

- B.Sc. (Hons.) Biotechnology • B.Sc. (Hons. with Research) Biotechnology
- B.Sc. (Hons.) Bioinformatics • B.Sc. (Hons.) Physics • B.Sc. (Hons. with Research) Physics • B.Sc. (Hons.) Chemistry • B.Sc. (Hons. with Research) Chemistry
- B.Sc. (Major/Minor): • Biochemistry • Botany • Biotechnology • Bioinformatics • Chemistry • Fashion Designing • Industrial Chemistry • Microbiology • Computer Science & Application • Mathematics • Physics • Statistics • Zoology
- B.Sc. Data Analysis • B.Com. Tax Planning and Management
- B.A. (Hons.) Economics • B.A. (Hons. with Research) Economics
- B.A. (Hons.) English • B.A. (Hons.) Psychology • B.A. (Hons.) History
- B.A. (Hons.) Sociology • B.A. (Hons.) Political Science
