

FRONTLINE

The cover features a dramatic, dark-toned photograph. In the upper portion, an oil tanker is visible on the horizon, with the words "OIL TANKER" partially legible on its side. The sea is turbulent. In the foreground, a pair of hands is shown holding a globe of the Earth. The globe is wet, with water droplets splashing around it. A small white tag with handwritten text is attached to the globe. The overall mood is somber and urgent.

COVER STORY

A tragedy by choice

10/ India is a minor power caught up in the economic torrent unleashed by the war in West Asia, and it might have too few lifeboats to sail through safely.
