22
Gaza's Agony

Famine is a complex condition, and ending it in the Gaza Strip will require more than widening the pipeline that brings in aid
By David Miliband, Karl Vick, and Juwayriah Wright

28
House Manager

Mike Johnson became Speaker of the House amid chaos and low expectations. Then Donald Trump was re-elected
By Eric Cortellessa and Nik Popli

34
The Color of Money

Major cities are vying for the trillions that will flow through the financial center of the green-energy transition. None are in the U.S.
By Justin Worland
