WHISKERS IN THE WHITE

THE WEEK takes you to the cold, rugged mountains of Ladakh, home to India's largest population of vulnerable snow leopards. These heights offer gripping tales of thrilling chases and complex man-animal conflict. What gives hope, however, is the growing effort among people in these remote Himalayan villages to coexist peacefully with this elusive and mysterious big cat.

Carney's masterstroke was to get King Charles III—who is still Canada's Head of State—to come and open the Canadian parliament and deliver the speech from the throne. Even sans the royal robes, the King's presence was a strong, if symbolic, signal in support of Canadian sovereignty.... Carney has made it clear that he has the king, and that may be his Trump card.
