Every step we take we take nature along

Powering infinite possibilities for India, in harmony with nature.

As India's leading power producer, NTPC is dedicated to lighting every corner of the country and building a sustainable future for all. With every megawatt we generate, we're not just powering progress - we're pioneering innovation and propelling a shift toward cleaner, more sustainable energy solutions.

- Renewable Energy
- Water and Effluent Management
- Afforestation
- Bio Diversity Conservation
- Ash Utilization
- Waste Management
- Air Emission Control
- Green Hydrogen
