Contents

On the cover

If Silicon Valley's predictions are even close to being accurate, expect unprecedented upheaval: leader, page 7. What if artificial intelligence made the world's economic growth explode? Page 17. AI labs' all-or-nothing competition leaves no time to fuss about safety, page 14. Hats off to the "doomer industrial complex". Anthropic's business is booming: Schumpeter, page 60

→ Next week's edition: We will publish a full edition as usual next week, on August 2nd, but it will not be printed. Subscribers can access all of the daily and weekly content on our app and economist.com
