REVIEW

Advanced Techniques used to Study the Effect of Synthetic Pesticides on Soil Health and Sustainability: A Review

Vivek Singh Rawat, Vishal Khandelwal, Shabnam K. Passricha 1791

Green House and Field Level Problems of Tissue Cultured Date Palm (*Phoenix dactylifera* L.) Plants: A Review

B. Mullassery, S. Kurien, C. Umesh, S.S. Kurup 1801

PLANT BREEDING AND GENETICES

Antioxidant and Agronomical Screening of *Oryza sativa* L. in Response to Abiotic Stress from Local Landraces

Monalisha Das Mohapatra, Ranjan Kumar Sahoo 1809

Field Evaluation and Molecular Validation of Soybean Genotypes for Resistance to Yellow Mosaic Disease using SSR Markers

Jyoti Saket, Yogendra Singh, Keerti Tantwai, Pawan K. Amrate, Kumar Jai Anand, Monika Soni, M.K. Shrivastava 1819

Study on Analysis of Molecular Diversity and Trait Association for Zinc Deficiency Tolerance in Rice under Submerged Conditions

A.P. Salini, M. Dhandapani 1828

Estimation of Mineral Content and Physico-chemical Properties of Different Indian Cultivars of Potato

Vidushi Dhaliwal, Deven Verma, Durlabh, Brahmacharimayum Anana Sharma, Vishal Thakur, Yaman Kumar, Kunal Soga 1835

Assessment of Morphological, Genetical and Diversity Studies in Landraces of Rice (*Oryza sativa* L.)

Sujata, Shridevi A. Jekkaral, B.M. Dushyantha Kumar, S. Gangaprasad, Basavaraj I. Halingali 1841

Genetic Variability, Heritability and Genetic Advance in Cluster Bean [*Cyamopsis tetragonoloba* (L.) Taub.] Genotypes

A. Remzeena, P. Anitha 1846

CROP PRODUCTION

Characterization and Identification of Orchid Mycorrhizal Fungi Enhancing Seed Germination in *Cymbidium* from Southern Vietnam

Tri M. Bui, Duong T.T. Pham, Ngan T.K. Phan, Nam G. Tran 1850

Influence of Organic Fertilizers and Nitrogen on the Growth and Yield of Wheat (*Triticum aestivum* L.)

Maharabam Angelina Devi, Rajesh Kumar, Rohit Saral, Shambhu Chouhan, Sandeep Menon, Swati Mehta, Ravi Verma 1857

Effect of Drip Irrigation Combined Organic Mulching on Water Productivity and Yield of Tomato (*Lycopersicon esculentum* L.)

K. Ashok Kumar, M. Navaneetha, B. Aravind, T.M. Rajesh, M. Pravalika, P.V.K. Jagannadha Rao 1864

Effect of Nutrient Management Levels on Soybean Grain Equivalent Yield (Sgey) and Total System Productivity (Tsp) of Soybean based Cropping Sequence

Sushant S. Patil, S.D. Hiwale, R.S. Shinde, K.R. Yadav, S.R. Patil 1870

Quality and Nutrient Uptake of Onion (*Allium cepa* L.) as Influenced by Water Regimes, Land Configurations and Mulching

Asha Jat, S.K. Moond, Santosh Choudhary, Moola Ram, L.N. Netajit 1876

Effect of Different Spacing and Weed Management Practices on Weeds, Crop Growth and Productivity of Pigeon Pea Variety Pusa Arhar-16

Yadwinder Singh, Kanwaljit Singh 1882

Nutrient Release Pattern of a Fortified Manure Disc and its Implication on Yield of Tomato in Sandy Soils

V. Mini, G. Suja 1887

Studies on Propagation Techniques and Economic Feasibility in Sapota [*Manilkara achras* (Mill.) Fosberg] Cv. Kalipatti under North Indian Conditions

Satinder Kaur, Rajbir Singh Boora, Daljinder Singh 1892

SOIL SCIENCE

Inventorying Land Resources to Identify Potentially Suitable Land for Oilseed Production in Semi-arid Land, Rayalaseema Region, India

M. Chandrakala, Gizachew Ayalew Tiruneh, Ranabir Chakraborty, S. Parvathy, K.S. Karthika, Sunil Maske, V. Ramamurthy 1896

Effect of Nutrient Management Practices on Sustaining Soil Health and Quality of Soybean (*Glycine max* L.) under Rainfed System in Western Himalayas

Prikshit, Sagun Mahajan, Priyanka, Subhash Kumar, Naveen Datt, N.K. Sankhyani 1905

Delineation of Soil Arsenic and Observe Arsenic Tolerance Limit of Bacteria Isolated from Nadia, West Bengal

Animesh Ghosh Bag, Gora Chand Hazra, Rubina Khanam, Biplab Pal, Umalaxmi Thingujam 1913
