Major Indian Marketplaces And Apparel Brands Are Accelerating Efforts To Offer Ultra-Fast Fashion Fulfilment (30-Minute/Sub-60-

Minute) Or Very Short Delivery Windows Via Q-Commerce. With This Phase Of Growth: What Role Do You See Ultrafast Delivery Playing In Your Brand's Overall E-Commerce And Customer Experience Strategy? Do You View Partnerships With Existing Q-Commerce Platforms As More Viable Than Developing In-House Rapid Delivery Models? Why?

82 MY FASHION LIFE

Hemant Jain, Joint Managing Director, Kewal Kiran Clothing Limited (KKCL)

P20

India's new labour codes collapse 29 overlapping labour laws into four, bring a uniform definition of wages and push digitisation in compliance, but for the textile and apparel industry, the reforms are not entirely new
