P12

Airports in India aren't just places to board flights anymore. They are turning into the country's newest fashion runways.

P61

Brands that are now gaining traction are not chasing spectacle but are instead, doubling down on recognisable codes, refining silhouettes and reinforcing product categories that already command trust.

- 61 **FASHION BUSINESS**
Success Strategies of Q4 2025's Top Brands And Bestsellers
- 66 **TRADE STATS**

How Icy Blue Is Reshaping Colour Stories
- 72 **INDUSTRY VERDICT**
India is introducing mandatory labelling for all apparel and home textiles, requiring brands to disclose fibre content, country of origin, care instructions and safety compliance on every product.
- 74 **MY FASHION LIFE**
Ajay Ajmera Founder & CEO Ajmera Fashion Ltd.

P70

Icy Blue emerges as a shade that aligns with the industry's pivot toward cooler, softer palettes.
