INDIA'S DEVELOPMENT DYNAMICS

- In this special section, we have presented a comprehensive compilation on 'India's Development Dynamics'.
- The content encapsulates relevant information related to key dimensions of India's development such as governance, human development, education, health, nutrition, agriculture, industry, services sector, infrastructure, and Digital India, etc. in a concise, factual, and easy-to-remember format.
- Keeping in view the dynamic nature of the UPSC Civil Services Preliminary Examination, the content has been prepared with a completely exam-oriented strategy.
- In the selection of topics, priority has been accorded to those aspects that are directly linked with current development trends and policy reforms. This will help the readers get a clear and comprehensive picture of India's development.
