with Model Questions & Answers

- UPSC preparation today goes beyond the accumulation of facts; it requires clarity of concepts, analytical ability, and the skill to connect current developments with the static syllabus.
- In General Studies Paper II (International Relations) and General Studies Paper III (National Security), questions increasingly test an aspirant's capacity to apply knowledge in a dynamic and interconnected context.
- In this edition, we present a carefully curated compilation of significant developments in National Security and Global Affairs for Mains 2026.
- The content is organised in a structured and exam-oriented manner, focusing on the relevance, background, and implications of key events to help build a deeper understanding of issues.
- Each topic is carefully curated to help you identify trends, strengthen conceptual clarity, and avoid common pitfalls in answer writing.
- Covering all major dimensions, this compilation serves as a precise and reliable revision resource—designed to sharpen your edge for UPSC CSE Mains 2026.
