# Contents

### On the cover

A month of bombing Iran has achieved nothing. Will America escalate, or talk? Leader, page 7. Hormuz is not the only chokepoint threatening global trade, page 14. Unblocking the strait would be difficult and dangerous, page 17. Will America and Iran negotiate? Page 45. The war's implications for Taiwan, page 26

### Why energy bail-outs are a bad idea

Such interventions will do more harm than good: leader, page 8. America Inc's biggest winners and losers from the war, page 66. Pricier energy will push up the cost of living, page 69. Even the best-case scenario for energy markets is disastrous, page 70

### China's winning AI strategy

It is leading the race for talent, page 76. How China's government both drives and constrains the rise of AI: Chaguan, page 29

### Europe's merger misconceptions

The EU should think twice before watering down its merger rules: leader, page 8. Will Europe's new rules unleash a wave of dealmaking? Page 63. The continent's more ambitious nations should leave the rest behind: By Invitation, page 13

### How playing music boosts the brain

It has benefits, even for amateurs: Well Informed, page 79. Playing mahjong brings social and mental advantages, page 84
