## Contents

**On the cover**

How to plan for the jobs apocalypse. Hope for the best, prepare for the worst: leader, page 9. Mass unemployment induced by AI would be unprecedented, page 67. Is AI already putting graduates out of work? Page 69. China wants more robots, but not fewer workers, page 69. Sharing the AI windfall: Free Exchange, page 73

**Indonesia goes astray** To avoid fiscal calamity, President Prabowo Subianto must change course: leader, page 11. He is jeopardising Indonesia's economy and its hard-won democracy: briefing, page 18. Asian countries are mulling ways to protect themselves from future energy shocks, page 21

**What UFC can teach DJT** Donald Trump has much to learn from the fighters he has invited to the White House: Lexington, page 34

**Congo's rebels' powerpoint pitch** A year after sweeping through eastern Congo, M23 is building a state within a state. It wants to cut deals with America, page 45. Donald Trump deserves credit for his peacemaking in Africa. But the job is unfinished: leader, page 14

**Lacktology: not enough breastfeeding** Many women cannot make enough milk. Scientists are starting to understand why, page 74, and leader, page 12
