PRESIDENT'S MESSAGE

It fills me with delight to welcome you to GGDSD College, Chandigarh, which has emerged over the years as the most coveted institution in the region. Abiding sincerely by its motto "Firm in Faith and Broad in Mind", our college has created an amalgam of best of both the worlds – the fast paced, dynamic and technology driven world and the strongly rooted world of our heritage and Sanatanist values. We, at S.D. aim at providing myriad opportunities to our students to showcase their talent and to become self-actualized individuals, who have fully explored and fulfilled their potential. We aim at furthering their aspirations by motivating them, equipping them with requisite expertise and by providing them with an environment of encouragement and positivity. Our focus is not limited to imparting knowledge and inculcating values, but also extends to honing their critical, creative, logical and analytical skills and raising their consciousness towards outreach activities.

Our fiercely competitive times have created a sense of impatience and restlessness in the society, therefore it becomes even more important for education to impart knowledge of spiritual calmness and perseverance to the youth, on whom the onus of being the change bearers lie. Be it people driving hastily on roads or getting annoyed in supermarket queues, the anxiousness and stress in the atmosphere is negatively influencing the overall wellbeing of our society. In the given scenario, we sincerely endeavour to apprise our students of the deep wisdom contained in our roots and our spiritual heritage which will not only empower them to stand shoulder to shoulder with the greatest achievers of the world but also to do the same with peaceful and harmonious minds. In the words of sage Valmiki, "Forbearance is the best ornament for men and women". Values such as patience, tolerance, acceptance and most of all respect and regard for the female gender, are what we urgently need to imbibe in the present generation.

Furnishing a domain where plurality of opinions is welcome, multiculturalism is appreciated and intellectual dialogism is held in high esteem, our college understands the significance of such crucial things that make a huge difference in shaping students' personalities. We are committed to transforming higher learning through innovation, foresight and globally focused education. Here's inviting you all to join us in our endeavour to revolutionize higher learning and fulfilling our exciting plans for the future. I wish the Principal, staff and students all the best for an enthusiastic beginning and magnificent times ahead.

Upkar Krishan Sharma
President
GGDSD College Society

FROM THE PRINCIPAL'S DESK

I extend a warm welcome to you as you enter Goswami Ganesh Dutta S.D. College, Chandigarh, the most acclaimed and awarded college which has been accredited with 'A+' grade by NAAC and has figured prominently in the 'College with Potential of Excellence' listing of UGC, New Delhi. We are the first ever college of Panjab University to be selected under 'FIST Program 2010' of Dept. of Science and Technology, Govt. of India. Our college has been ranked 82nd in All India Ranking 2018 by NIRF (National Institutional Ranking Framework), MHRD. Furthermore, three departments of the college i.e. Department of Commerce and Management, Department of Bio-Sciences and Department of Economics have been declared as "High Rated Departments" by UGC. Achieving such prestigious awards and accolades further strengthens our commitment towards providing quality education and excelling in all curricular and extra-curricular spheres.

Our college has constantly been evolving according to the needs of the globalized world by imparting value based holistic education in a wide spectrum of vocational, professional, commercial and technical streams under the faculties of Commerce, Science, Informational Technology and Humanities. It is positioned as 'A Premier Multi-faculty Post Graduate (Co-Educational) Institution' which provides the finest academic ambience, ultra-modern facilities with state-of-the art infrastructure and distinct emphasis on the overall development of its students. We not only focus on making students - leaders, but also humanitarian visionaries; not just knowledgeable individuals but intellectual thinkers; not just intelligent beings but enlightened candidates. These little distinctions make all the difference and we, at S.D., recognize that.

Our student-centric, hi-tech teaching methodology, which is characterized by learner-centric bridge courses, brain storming sessions, seminars, workshops, case studies, power point presentations, research projects, career fests, guest lectures and educational excursions, aims at imparting world-class education. Our latest pedagogical aids complement and support our students' ambitions so that they make a positive difference to the world. The placement cell of our college acts as a liaison between the students and prospective employers by providing campus placements. The excellence of industry-institute-interface speaks for itself with our alumni making waves on the universal landscape. We, at S.D. dream of a world where our youth get due recognition for their efforts and their passions are given wings to translate into successful vocations.

It is a pleasure to present this Admission Prospectus to you while we look forward to seeing you aboard when we take the flight of progress into the academic session 2018-19. Wishing you the very best for a glorious beginning and bright future ahead!

ABOUT THE COLLEGE

GGDSD: A SAGA OF EXCELLENCE

Excellence is never achieved in a day. Excellence has a preface-a preface, no less than a saga made up of extraordinary events, real life heroes and a foundation ornamented with valour, initiative, sacrifice and faith. A foundation, so deep-rooted and concrete, which creates edifices emitting values, knowledge, thoughts to the society at large and a character to its inhabitants. That excellence is what Goswami Ganesh Dutta S.D. College has achieved in its more than forty years of existence. The college is affiliated to Panjab University, Chandigarh.

Late Dr. Pt. Mohan Lal Ji

Late Prof. R.L. Verma Ji

Late Mrs. Kaushaliya Devi Verma Ji

Right from its very inception, the college was fortunate to have been led by eminent personalities. Inspired by the spirit of service and sacrifice, the institution was established on 3rd July, 1973 in the revered memory of Goswami Ganesh Dutta Ji, who envisioned Chandigarh as a focal point of culture and saw it as a potential hub for Sanatanist activities. His dream materialized under the dynamic leadership of late Pt. Mohan Lal Ji, former Education, Home and Finance Minister, Punjab, and other prominent educationists, lawyers and public men. With the efforts and collaboration of such profound workers, a first rate college was established, firmly grounded on the bricks of principles and values in its motto 'Firm in Faith and Broad in Mind'. The teething troubles of the institution were overcome by the 'karmayogi' Pt. Mohan Lal Ji, who, with his pragmatism, vision, administrative acumen and exceptional enthusiasm led the institution from the front.

Pandit Ji was joined in his untiring efforts by the luminary Prof. Roshan Lal Verma Ji, the founder principal of the college, who donated his entire life's savings in setting up this institution. Right alongside was his wife, Mrs. Kaushaliya Devi Verma Ji, who too, selflessly bequeathed her entire property for the growth of the college. The assets that she donated to the institute were later used to form a trust which helps provide support to the women of the economically weaker sections by offering them excellent career oriented courses and training facilities absolutely free of cost.

These efforts by the founding team bore fruit and since then, the college has been imparting holistic education to the future torchbearers of the country. The Principals of the college have striven towards continuing with this saga of excellence that passed down as heritage from its founding stalwarts. The college witnessed exceptional growth under the laudable leadership of its Principals - Prof. Roshan Lal Verma, Sh. D. N. Sharma, Sh. Umesh Chandra Sharma and Dr.A.C. Vaid. On January 25, 2013, Dr. Bhushan Kumar Sharma took over as the Principal of the college and is continuing the tradition of excellence with his able administrative acumen.

KAUSHALIYA DEVI VERMA CHARITABLE INSTITUTE

Mrs. Kaushaliya Devi Verma Charitable Institute for Women was set up on the college campus in the year 2000 to honour the fond memory of Late Smt Kaushaliya Devi Verma, wife of Prof Roshan Lal Verma, founder Principal of our college. Mrs. Verma was a noble and philanthropic lady who donated her entire life's savings to the college. The focus of the institute is to impart free vocational training to women from economically weaker sections of society. The institute conducts six-months and one year long courses in cutting and tailoring, embroidery including professional machine embroidery, cosmetology and beauty culture and computer training. The college offers a six months basic course and a one year diploma in cosmetology and beauty culture. Till now, 89 batches with 1008 trainees have successfully completed the course in stitching and embroidery under the guidance of Ms Bhupinder Kaur. As many as 785 trainees have successfully completed the course in cosmetology and beauty culture under the guidance of Ms Rinku Sinha.

Our Adopted Institute-

Dr. B. R. AMBEDKAR SCHOOL

The GGDSD College Society extends generous support to Dr. B.R. Ambedkar Primary School run by the NGO - Citizen Association of Relief and Education Services (CARES) in Janta Colony, Naya Gaon. Our college students enrolled as Spirit India volunteers of NGO Aavahan make a significant contribution towards the over-all development of these underprivileged children. In order to impart knowledge and skills, various activities in art and craft, communication skills, moral values and healthy habits are organized frequently. Festivals like Rakhi, Diwali and special days like Independence Day, Teacher's Day and Republic Day are celebrated with a motive to inculcate a sense of national spirit amongst the small children.

INFRASTRUCTURE & FACILITIES

Spread over a sprawling 16.5 acres of land, the college boasts of a beautifully landscaped campus, offering a charming ambience to all its inmates. The state-of-the-art infrastructure of the college is continuously upgraded with futuristic facilities that match the honors of 'A+' grade by NAAC (An honour shared by no other college of the city) and 'A College with Potential for Excellence' by UGC, New Delhi.

The college has a fully air-conditioned **Administrative Block** built under Building Management Automation System (BMAS). The whole campus is under **Surveillance Camera System** with more than 80 IP based high definition CCTV cameras.

The college has installed five generators on total automation mode to cater to the vast needs of electricity. The college has also built an underground water reservoir (UGR) with a huge capacity of 3 lakh litres.

The college has in-campus branch of **Central Bank of India with an ATM** outlet, a fully equipped ambulance for medical emergencies and a **medical room** with two qualified visiting doctors, one pharmacist and one dispenser, who are available round the clock.

A facility services agreement has been signed with G4S facility Services (India) Pvt. Ltd. for housekeeping and cleanliness of the infrastructure of the college campus.

AUTOMATION THROUGH TCS iON

The college has signed an MoU with Tata Consultancy Services, which enables complete automation of all administrative as well as academic transactions. There are two product solutions encapsulated within this contract:-

1. **Digital Campus:** Commonly known as Campus Management System (CMS), it empowers the college to carry out all the teaching and administrative activities in an easy and transparent manner. This portal organizes students' information from admission to declaration of examination results. The college has developed an online system with the help of TCSiON through which a candidate is required to fill online e-form, the link for which is available on the college website www.ggdsd.ac.in. It includes seat allocation, batch allocation and student enrolment, hostel occupancy, attendance, mid-semester tests and final exam marks.

Students can view their personal profiles, time-tables, faculty allotments, due fees, attendance and result through their own Login IDs. They can also pay fee through fee bizapp and apply leave online through self service/mtop (mobile app). Faculty management (HRMS) is also part of this system enabling faculty to mark attendance, apply leave, enter marks, etc. within the system itself. There are two other modules called FnA(Finance and Accounting) and PnI (Procurement and Inventory) which helps to reduce load on administrative staff and helps to gain transparency in the system.

2. **Digital Learning:** Digital learning or the *Learning Exchange (LX) System* helps the faculty to enroll students into various communities and courses. This enables the students to view and attempt assessments and assignments online. Faculty and students can upload and share relevant content, videos and text. Faculty can plan their courses and their teaching methodologies. This is a tool which automatically creates a database/library for the students and the faculty.

INFRASTRUCTURE & FACILITIES

SPECIAL FACILITIES

The college has carved a niche for itself in the world of academia. With an aim to offer the best infrastructural facilities, the college adopts the latest trends in teaching methodologies and constantly keeps updating its systems. It is with this objective that the college has a number of labs and smart classrooms which are equipped with the facilities that help to disseminate education that meets the highest standards.

Communicative English Lab

The Communicative English Lab is equipped with the latest equipment including Mac and Windows computers. These computers are connected to the Campus Wide Network with its centre at the department of Information Technology. These computers are equipped with top-of-the-line software like Apple's Final Cut Pro, Quark Express, Clarity's Speech skills and Business Writing, Sky's Pronunciation Suite, Chroma Photo Pro and the Batch Water Mark are available in the lab. These are in addition to the conventional audio tapes produced by CIEFL, Hyderabad, Linguaphone Series and BBC Series.

Smart Class Rooms

To facilitate modern teaching environment, the college provides Smart Class rooms equipped with the latest interactive technology like interactive meeting pads/boards, bluetooth, digital visualizer, light touch pen, DLP multimedia kits and high resolution digital presenter UF-80 DX/ST. These classrooms create a professional environment and help the teachers in delivering the best quality education.

Research Facilities

With an objective to provide quality research in various streams such as Humanities, Commerce and Science, the college has set up modern Research Labs. Further, close links are maintained with professional bodies to provide programs tailored to industry needs along with satisfying academic and vocational needs. Research infrastructure in the college includes Orbital Shaker, Cooling Centrifuge, Deep Freezer, Incubator, Laminar Air Flow, Oven, Autopipette, Microfuge, pH meter, Magnetic Stirrer, Cyclomixer, Fast Prep, Water Bath, Gel Doc, PCR and Electrophoresis, etc. The college has been awarded four research centres by Panjab University for conducting and envisioning research leading to Ph.D. in Chemistry, Biotechnology, Physics and Commerce.

COLLEGE LIBRARY

The state-of-the-art college library is enriched with a carefully built collection of books. The library subscribes to various international and national periodicals, journals, magazines, newspapers, e-journals and databases. It contains numerous books pertaining to the course curriculum as well as general interest areas. The furnishings of the library is user friendly which inculcates in the students and faculty the desire to learn more. It conducts *User Orientation Programmes* regularly to familiarize its new entrants with library services and facilities to improve the usage of library collections. The functions of the library are automated with integrated TCS iON ERP software.

RESEARCH PROFILE

The college faculty performs high quality research across a wide range of disciplines with a strong commitment to excellence and concern for the needs of both local and global problems. Our staff collaborates actively with several organisations, generating multi-disciplinary and innovative research funding. Our research work is funded by various agencies including UGC, New Delhi; DST, Chandigarh; DST, New Delhi; SERB, New Delhi; DAE, New Delhi; ICSSR and HSCST Panchkula. In the previous academic session numerous research projects have been completed successfully. Our faculty has published numerous books and research papers in journals / proceedings of international and national repute in the last five years. The faculty members have acted as resource persons / presented their research papers in various international conferences, seminars in India and abroad. Besides this, the college publishes a biannual research journal 'Vanijya Manthan'(ISSN No. 2350-0719). The college regularly invites the faculty of reputed institutes to upgrade the research related knowledge of its faculty and students.

The college has excellent research facilities in various departments with advanced and upgraded laboratories. Besides this, many of the faculty members of the college also offer research guidance to Ph.D. and M.Phil. students from different universities. More than 30 students are enrolled with our faculty for their Ph.D. degrees. Further our college has four research centres recognized by Panjab University, Chandigarh in the subjects of Biotechnology, Chemistry, Physics and Commerce. Strong research base gives students access to a wide range of cutting edge expertise. The students of the college are encouraged to engage in healthy and meaningful research. In the final year of UG and PG programmes, students choose and carry out a research project linked to a major research area which can be laboratory, literature or computer based. The endeavour is to provide the students with invaluable experience about the intricacies of different facets of research work. While such initiatives provide the students with invaluable experience about research work, it also helps them in their professional and academic lives.

The teaching-learning and evaluation is done through seminars & guest lectures, case studies, group projects & live projects, independent projects, summer training, workshops, brain storming sessions, educational tours, industrial trips and diagnostic tests.

Grants from UGC and DBT, GOI

The college regularly receives grants from the University Grants Commission (UGC) and different departments of the Government of India in appreciation of its high academic standards. The college has been granted sanction from UGC,

New Delhi for continuation of the status 'A College with - Potential for Excellence' for the five years i.e. from 1st April 2014 to 31st March 2019. As per this scheme, UGC has approved a grant of 1.40 crore to be utilized for up-gradation of teaching facilities at UG and PG levels, research facilities, extension activities and establishment of internet lease line in the campus. The expert committee recommended that for the next phase of CPE four departments : (i)Bio-sciences (ii)Physics (iii)Commerce and Management and (iv)Economics should be considered as highly rated departments.

We received a grant of 1 crore 85 lakh to run two vocational courses (B.Voc.) namely: Retail Management and Food Processing and Preservation from UGC. Apart from this 50 lakh were also received from UGC for starting Diploma in Medical Lab & Technology (DMLT) under Community College Scheme.

COLLEGE CODE OF CONDUCT

The students of the college are required to observe the following code of conduct both within and outside the college:

- Maintain discipline and decorum. Ragging is strictly banned in the college as well as in the hostels. A student found guilty of this crime may be punished heavily. It may lead to expulsion from the institution.
- Use of mobile phones in the class rooms and library is strictly prohibited.
- Sitting on the railings in the college campus is not allowed.
- Smoking is strictly forbidden both inside and outside the college campus, hostels and canteens etc.
- Perfect silence should be maintained in the classroom, the library and the corridors of the college, so that the atmosphere in the college remains perfectly congenial to studies.
- Show proper respect to the teachers and carry out their instructions most faithfully.
- Girl students are expected to conduct themselves with dignity, modesty and simplicity. The girl students should wear sober dresses. They should avoid the use of sleeveless dresses and skirts etc.
- Bring the identity card daily and produce it, if any member of the staff or official of the college demands it at any time. Identity card may be checked at the entry gate of the college and those without it, will not be allowed to enter.
- Abide by all rules, regulations and instructions issued by the college from time to time.
- Inculcate high moral values of life such as truth, honesty and devotion to duty.
- Students must make the best use of time and spend it in creative and constructive activities for their own betterment and that of the nation, rather than wasting it away by hanging out casually in the college or indulging in futile exercises.
- Students should be punctual in attending their classes, functions and fulfilling the appointments.
- Exhibit fine manners and excellent behaviour, use decent language, be courteous and polite in dealing with fellow students and college staff, as this would add to your own credit as also to that of your Alma-Mater.
- Observe proper decorum in and outside the classroom and at the functions organized in the college. Students should respect their parents and elders from the core of their hearts.
- The attendance of students will be recorded at seminar(s), conferences(s) organised for them. This attendance will be given to the students to be counted towards their total attendance for the respective session.
- Students should endeavour to keep the environment neat, clean and beautiful at home and at college by using the dustbins and by avoiding littering.
- Quarrels and disputes should be avoided. In the event of a dispute, a written complaint should be made to the Principal at once. No one is allowed to take the law in his/her own hands.
- Students should understand that the college property is a national trust and as such its upkeep is as much their responsibility as that of the administration. Therefore, no one should disfigure furniture or deface walls with pencil, chalk or knife marks. Damage to the college property will not be condoned under any circumstances.

EXTRA CURRICULAR ACTIVITIES

EXTENSION ACTIVITIES

Following the motto of 'Duty and Sacrifice', every associate of the college imbibes the Sanatanist values and spirit to the core and is encouraged to get involved in different spiritual and value based extension activities that are an integral component of all endeavours of the institution. The crucial needs and legitimate expectations of the community are given utmost importance and these factors are the guiding principles for organizing various extension activities like community development, health and hygiene awareness programmes, adult education and literacy programmes, AIDS awareness programmes, social work, medical camps, environment awareness and blood donation camps. These activities are organised vigorously by various clubs and associations of the college, including Spirit India, NSS, NCC, Manav Dharam Kendra and M.K.D.V. Institute for Women, in collaboration with GOs and NGOs and help stimulate student participation in community based service. Another feature added to these initiatives is that students are encouraged to associate themselves with these activities and get involved in community service during the session.

NSS

The college runs two NSS units for men and women consisting of 100 volunteers each. The primary aim of the NSS is to inculcate social responsibility in the students through community service and to stimulate the participation of volunteers in constructive and extension work in slums and backward villages. They are encouraged to understand the problems faced by the inhabitants first hand so that when they become community leaders, they may provide solutions to the ills faced by the poor. Students of all classes are eligible for enrolment in NSS. In order to successfully complete the NSS programme, each volunteer is required to put in 120 hours of work during one session.

He/she also has to attend a Special Annual Camp. Enthusiastic volunteers are even selected for training in the special camps organised by the Directorate of NSS. By participating in such programmes, the students can

reap different kinds of benefits too. Not only do they become socially responsible citizens, but are also awarded certificates which carry an additional weightage at the time of placements and admission to higher classes.

NCC

The college has been granted 2 NCC platoons comprising 70 cadets each. During each session, an NCC cadet has to attend 32 parades and 96 periods for the award of certificate. Like NSS, the NCC certificates also carry a similar weightage. In addition to these, if any student wishes to specialize or train himself for a career in the armed forces, it becomes mandatory for him to attend two camps during the three years of his stay in the college and participate in certain service attachments, as decided by the authorities. Cadets are also groomed for a regular commission in the army and paramilitary forces. Besides these, the cadets are also offered opportunities to participate in additional service training programmes like the Republic Day Parade at Delhi, Basic and Advanced Leadership camps, etc. As part of these training programmes, the cadets are provided a complete kit catering to all their needs. However, in case of loss or damage to these kits, they need to make good the loss.

Healthy Practices

Quality education has several dimensions like imparting domain specific knowledge, creating skills, practical use of knowledge of skills, overall development of the personality for greater creativity and productivity, raising the spiritual quotient of students and creating socially responsible citizens. Realizing these important dimensions of education, the institution has adopted several healthy practices for the attainment of these objectives. These include the following:

Manav Dharma Kendra

Manav Dharma Kendra has been a crucial part of the institution right from its inception. It aims to inculcate sound moral and ethical values amongst all the students of the college. It organizes activities and lectures during the entire academic session to elevate the spiritual quotient of the students, besides fostering ideals of a cosmopolitan outlook and universal brotherhood. All students are thus encouraged to become enlightened and awakened citizens of the society.

EXTRA CURRICULAR ACTIVITIES

Social Awareness & Concern

The institute helps to organise exhibitions and workshops for fund raising, medical awareness and adult education. Such participation makes students aware of significant contemporary social issues and thereby contributes to the social and national development positively. Other than numerous such camps and drives, the college also runs an organization of students and college alumni, ASHRA (Association of Students for Human Rights Awareness), which generates a strong sense of involvement and commitment in the students.

Outreach Programmes

The college aims at inculcating a deep sense of social concern amongst all its students. In order to extend a helping hand to the needy in our society and to ameliorate their condition, the college launches numerous outdoor camps which include eye check-up camps, dental check-up camps and blood testing camps in the slum areas, in and around Chandigarh. Students are encouraged to work with an NGO of their choice in each academic session. The college recognizes and celebrates such service rendered by the students and honours them in turn with Certificates of Distinction.

Participative Learning

Students are encouraged to organize different events that may be general in nature or specifically related to their subject. Such exercises help the students in applying the knowledge acquired in the classrooms, as they put to use their different sets of skills in the practical world. Every year the students of Journalism bring out an in-house newsletter "Expressions," through which they not only hone their writing and editing skills, but also gain first hand practical experience of page making and page designing. The students are also encouraged to edit various publications of the college, including the college magazine 'Tyagmurti.' It is through such endeavours that the students gain actual hands on experience that holds them in good stead.

General Tutorial System

In order to inculcate spiritual, ethical, moral and Sanatanist values in the students and channelize their energies in a positive direction, the college runs an elaborate General Tutorial System. Under this system, a small group of students is placed under the personal guidance of a tutor who acts as a counsellor and moral guide to the students. The tutor also acts as a local guardian and the students are advised to remain in constant touch with him/her. General tutorial lectures are held once a month.

Value Addition

As a part of our continuous focus on the all-round development of students, we constantly motivate and train them to enhance their potential market employability. The students are encouraged to take up professional courses like C.A. / C.S. / C.F.A. / Computer courses, etc. along with their regular courses.

Cultural Enlightenment

We organize numerous cultural fests and fairs throughout the session. We also celebrate all important festivals and days that are integral to our history and culture. The endeavour is to encourage the students to participate zealously in these celebrations and thereby acquaint themselves with the significance of these occasions. Some of the important days and festivals that we celebrate with full fervour in college include the Independence Day, the Republic Day, Janamashtami, Teej, Gurgurab, Diwali, Lohri, Basant Panchami, Baisakhi and Navratras, etc. We believe that such initiatives go a long way in sensitizing the students about the rich cultural heritage that India is endowed with.

CULTURAL ACTIVITIES

We believe that all students possess some latent talent. All they need is a platform to discover their talent and hone their skills and artistic potential. To do so, the college offers a perfect platform to all its students. There are a number of inter and intra college activities and competitions that are organized the year round in which students get an opportunity to harness and showcase their talents.

Prize winners of P.U. Youth Fest get the certificates which carry an additional weightage at the time of placement and admission to higher classes.

Talent Search Contests

Talent Search Contests are held in the 3rd week of August every year. Notice for the date, time and venue of these competitions is displayed well in advance on the Notice Boards of the college. The students short-listed in these talent search contests represent the college in the very prestigious P.U. Zonal Youth and Heritage Festival and various other Inter-College competitions.

SPORTS

college that works with dedication towards bringing out the best in their students.

It is owing to the excellent training facilities that the college offers that we have produced various sports persons of international and national repute. Our students regularly represent India in various international and national sports tournaments and championships. As an incentive to the players who participate in university tournaments, national and

Sports are an integral part of any educational institute and our college too strives hard to offer a healthy and conducive environment to all its sports persons. Our institution gives due attention to this significant dimension of our students' overall development. In addition to various scholarships offered by the Sports Department of the Chandigarh Administration for different games, free boarding, lodging, sports kit facilities and cash awards are provided to the students engaged in various sports activities.

Moreover, we have an excellent sports faculty in the

international sports events, the college relaxes their conditions of attendance requirements.

STUDENT SUPPORT & PROGRESSION

Counselling cell

The college runs a very active Counselling Cell that forever strives to cater to the various emotional needs of the students. Special counselling sessions are held with the students residing in hostels, to facilitate their adjustment and to cater to their special emotional needs. In addition to this, the cell also organizes regular life skill testing programmes in which the students are scientifically tested for their personality, life skills & capabilities on psychometric tests and measures. Detailed profile of each student is prepared and personalized counselling sessions are conducted absolutely free of cost.

Medical facilities

The institute has two qualified medical officers. First-aid is available for the students in the medical room of the college. To meet any emergency, ambulance services are also available round the clock for the students from college/hostels to the hospitals for timely treatment. If any student falls sick or suffers from any medical emergency during the college hours, every type of medical assistance is provided to him/her and all the expenses of the treatment are borne by the college. There is also a provision that the college would meet all the medical expenses of any hosteller, if he/she happens to be hospitalized during his/her stay in the college hostel. Other than these, there are periodical medical check-up camps that are conducted round the year, absolutely free of cost. There is a medical assistant available 24x7 in the hostel.

Accidental coverage

All the students of the college have been covered under the accidental insurance scheme to the tune of Rs. 1,00,000/-.

The policy covers the following events:

1. Death
2. Loss of two limbs/two eyes/one limb, one eye
3. Loss of one limb/one eye
4. Permanent total disability from injuries
5. Permanent partial disability

In addition to the above, the policy will provide reimbursement of medical expenses, subject to a limit of Rs.500, incurred by any student for his/her treatment in a hospital/nursing home as in-patient, for any injury sustained in an accident during the session. These claims will be settled by the insurance company.

Student Progression Programme

Monitoring student progression and achievement is an essential part of ensuring that we are achieving our teaching and learning aims and outcomes. The growth of our students is depicted through their progress after graduation and post graduation. The college is fully automated and the Alumni Association Team coordinates with the Alumni of the college and maintains contact with them. To keep a roster of all Alumni of the college and their pertinent updated data and current information, the complete progression data is recorded in the centralised database with the Statistical Cell. The information is updated through registration on the following link: <https://goo.gl/hBz3ux> on the college website.

FREESHIPS & SCHOLARSHIPS

The college provides scholarships and concessions to the deserving students of the institution. These efforts not only help and reward the deserving students, but also inculcate in them a drive to perform better. The meritorious and financially weak students are helped through these scholarships and concessions which amount to a tune of Rs. 25,00,000/-. The book bank initiative, started by the college, aims at providing help to the deserving candidates. Scholarships are given to the top 10 position holders in End-Semester Examinations conducted by Panjab University. An application to the Principal duly verified by the Head of the Department at the time of admission is necessary for availing the scholarship. The institution with the assistance of Chandigarh Administration too provides half (tuition) fee concession to the students in case two children (brothers/sisters) of same parents are enrolled simultaneously in the college. Such siblings too should submit their application to the Principal at the time of admission. The institution with the assistance of Chandigarh Administration also provides (half) tuition fee concession to those students whose parents' annual income falls between Rs. 1,00,000 - to Rs. 2,00,000. For this concession, the student must submit an affidavit or salary certificate from the employer of his/her parents. In addition to this, economically weaker students can avail themselves of the concession by applying to the Principal through a written request for the waiver and/or the books at the time of admission. Students may also apply for scholarship/fee-concession during the month of August when the notice will be displayed on the notice-board. Besides, the students can register themselves at National Scholarship Portal to avail scholarships under various schemes floated by State and Central Government from time to time. The college is duly registered at the National Scholarship Portal. They may also contact Dr. Nidhi Grover, convener of scholarship committee.

PLACEMENT CELL

A very dynamic and vibrant placement cell has been established on the campus, in order to facilitate the placement of the college students (from the general/vocational/professional streams) as well as for the students of other colleges in the region. The cell works in close coordination with the student placement coordinators of various disciplines. Year after year, the placements at SD college keep getting better and better. The positions offered to the students of SD by leading global giants go out to prove the mettle of the students. In order to make students aware of current trends, the cell prepares them for the market needs. Extension lectures by professional consultants and experts from the corporate sector (reputed public and private organizations) are held regularly on the campus. Training sessions to guide students on how to tackle job interviews are conducted periodically. The cell also helps the students to prepare them for the competitive examinations and make students aware of the corporate culture and climate by arranging corporate internships / interactions in renowned institutions / companies / corporations. The placement cell corresponds with the prospective recruiters, arranges pre-placement talks and workshops and provides all the facilities required by the visiting companies. Over the previous few sessions, more than 90 reputed companies have visited the college campus for placements. Another high point is that Corporation Bank (A Govt. of India Enterprise) Catholic Syrian Bank, Federal Bank, South Indian Bank, HDFC Bank, Royal Bank of Scotland have enlisted our college for the recruitment of officers/cashiers etc. for their banks.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

As per NAAC instructions, the college has established 'Internal Quality Assurance Cell' that works towards realizing the goals of quality enhancement and sustenance. It is a facilitative and participative organ of the institution. The prime task of the IQAC is to develop a system that improves the overall performance of the institution by removing the deficiencies and enhancing the quality. The IQAC of the college under the leadership of Principal Dr. Bhushan K. Sharma co-ordinated the visit of NAAC Team in January 2017 and the college was awarded 'A+' Grade in its third cycle of accreditation by NAAC. The IQAC members have steered the college towards excellence in all the fronts by their valuable inputs. Dr. Jasveen Dua, Associate Professor in the Department of Botany co-ordinates the activities of the cell.

Basic Purpose of the IQAC : IQAC of our college works continuously to generate and implement innovative academic ideas and practices to enhance the academic and administrative performance of the institution.

Functions of the IQAC :

- Acting as a nodal agency of the Institution for co-ordinating quality-related activities, including adoption and dissemination of best practices
- Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality
- Development of Quality Culture in the institution by disseminating information on various quality parameters of higher education
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty development
- Arrangement for feedback from students, parents and other stakeholders on quality-related institutional processes
- Documentation of the various programmes/activities leading to quality improvement

OUR COLLABORATIONS

Eleven Years of Our Association with University of Fraser Valley, Canada

On November 10, 2016, University of Fraser Valley (UFV), a top ranked Canadian university, completed eleven years of signing an MoU with SD College to run their BBA programme on the college campus. The day was marked by great celebrations.

Microsoft IT Academy Program

Our college is a Member Microsoft IT Academy program and we are the first ever college in the region to be selected as a Member Microsoft IT Academy program. The world-class Microsoft IT Academy curriculum will help the students to obtain hands-on skills and experiences that they need to succeed in careers related to technology. The program offers classroom and online learning, Hands-On Labs, and access to hundreds of courses, books, cutting-edge resources, and collaboration tools. Most important, one can earn valuable Microsoft Certifications.

MoU with NSE

A Memorandum of Understanding (MoU) was signed on September 27, 2011 between the National Stock Exchange (NSE) and the college for starting a new NSE Certified Capital Market Professional course. NSE was represented by Mr. T.Venkat Rao, Vice President Northern Region and Ms. Renu Arora, Manager NSE Delhi Office. The President of the College Governing Body, Mr. Upkar Krishan Sharma represented the college. This course is a new milestone in raising the employment prospects for the students. The course is designed to make the students competent in Securities Market. Students of any stream are eligible for this four month programme. The certificate of the course will be jointly awarded by the college and the NSE.
